

SORCERY, AND RUPTURE fairy dust

A talk by The Free Association

What are the dynamics of capitalism? How can we break them?
And what can we learn from recent episodes of protest and rebellion?
A magical talk on the possibility of anti-capitalist action, linking
Charlie Marx, The Troggs and the Arab Spring, by way of UK Uncut.
All welcome!

Friday 1 July 6.00pm

LimaZulu Project Space

Unit 3J, Omega Works,
167 Hermitage Road, London N4 1LZ

This event is the London launch of *Moments of Excess*, a Free Association anthology published by PM Press. More info from www.freelyassociating.org
